Re: Application for Amendment to the Official Zoning Map of the City of Crystal River and a PUD Amendment to the PUD known as Plantation Outpost Club and Resort (the "Applications")
Applicant: Crystal River Plantation Corporation

Dear Mr. Frink:

As you know, I represent the applicant, Crystal River Plantation Corporation, with regard to the referenced Applications.

Pursuant to Section 10.03.06.B of the City's Land Development Code, the Applicant is hereby requesting an automatic continuance of the City Council 2nd Reading public hearing ("2nd Reading") from September 27, 2021 to November 8, 2021.

Also, pursuant to Section 10.03.06.D, the Applicant agrees to reimburse the City for all advertising costs associated with rescheduling the 2nd Reading and acknowledges that the 2nd Reading will not be scheduled until such payment is received.

The reason for the request for the continuance is to provide additional information regarding questions raised by both staff and City Council related to stormwater management and water resources, along with other matters discussed during the City Council 1st Reading public hearing. We do not anticipate the need for further continuances beyond November 8, 2021.
